An application fee of \$10 and a field inspection fee of \$40 have been paid for each storm water permit. A \$10 application fee and a \$15 inspection fee have been paid for each erosion control plan permit. Design and/or erosion control plan information must be submitted with the application. The inspection fee may be refunded when an as-built drawing of the project has been submitted to this office. After-the-fact permits will be subject to the application fee and all other costs incurred by the Heron Lake Watershed District. If, in the opinion of the Board of Managers, it is necessary for the watershed district engineer or other consultant to review the application and all exhibits, view the site, and make a report to the watershed district as to the technical implications of the work, costs incurred by the watershed district during this review shall be borne by the applicant. Unless otherwise specified in the permit, works for which the permit are issued shall be completed within two years or an extension must be requested.

I hereby make application for a permit or make notification to proceed with the proposal described above and have attached all supporting maps, plans, and other information submitted with this application and all necessary fees. The information submitted and statements made concerning this application are true and correct to the best of my knowledge.

HERON LAKE WATERSHED DISTRICT Permit Number _____

In the matter of the application of:

Pursuant to Minnesota Statutes Chapter 103D, the Permit and Drainage Rules of the Heron Lake Watershed District, and on the basis of the statement and information contained in the permit application submitted by applicant, including all letters, maps, and other supporting data furnished by applicant, all of which are made a part hereof by reference, permission is hereby granted to _____ for the purpose of doing the work applied for with the following exceptions, changes, and/or special conditions:

This permit is granted subject to the following provisions:

- This permit is permissive only and shall not release the permittee from any liability or obligation imposed by Minnesota Statutes, Federal Law, or Local Ordinances, and shall be subject to all conditions and limitations now or hereafter imposed by law. The Heron Lake Watershed District makes no representations to the applicant in granting the permit that the proposed work complies or does not comply with the existing law. No liability shall be imposed upon or incurred by the District or any of its officers, agents, or employees, officially or personally, on account of the granting of this permit, or on account of any damage to any person or property resulting from any act or omission of the permittee or any of its agents, employees, or contractors relating to any matter hereunder. This permit shall not be construed as estopping or limiting any legal claim or right of action of the District against the permittee, its agents, employees, or contractors for violation of or failure to comply with the provisions of this permit or applicable provisions of law.
- Work authorized under this permit shall be completed by _____, unless extended by the District.
- The permittee shall grant access to the site at all reasonable times during and after construction to authorized representatives of the District for inspection of the work authorized by this permit.
- This permit may be terminated by the District without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of the public health and welfare, or for violation of any of the provisions of this permit.

Date this _____ day of _____, 2005.
