SITTING AS THE DRAINAGE AUTHORITY FOR

In the Matter of:

**the Improvement of Jackson County
Judicial Ditch No. 3**

VIEWERS' FORMULA CORRECTION

The Board of Managers of the Heron Lake Watershed District (Board), sitting as the drainage authority for Jackson County Judicial Ditch No. 3 (JD 3), having received a Petition for Improvement of JD 3 pursuant to Minnesota Statutes § 103E.215 by the petitioners, having noticed and conducted a public hearing on the preliminary survey report, having noticed and conducted a public hearing on the detailed survey report, and based on the record and proceedings, having adopted Findings and Order on September 29, 2021 establishing and ordering the Improvement and confirming and adopting the amended viewers' report dated September 20, 2021, Manager Fasche moved, seconded by Manager Lubben to adopt the following technical formula correction:

1. Based on information provided by the viewers, the Board of Managers has determined that a technical formula correction in the amended viewers' report is warranted as follows:
 - a. Donald Stenzel property, described as N ½ of the NE ¼ of Section 2 of Rost Township: approximately 33 acres drain to Branch M2 rather than Branch M; approximately 10 acres drain to Branch M1 instead of Branch M;
 - b. Corresponding corrections to be made to related adjacent parcels;
2. The Board of Managers directs the viewers to provide a corrected viewers' report, and further that when the contracts for the construction of the Improvement are awarded, the auditor's preparation of estimated cost of all items

required to complete the work and drainage lien statements shall reflect the above-described technical formula corrections.

After discussion, the Board president called the question. The question was on the adoption of the foregoing findings and order, and there were 5 yeas, 0 nays, 0 absent, and 0 abstentions as follows:
