**Findings of Fact and Order Approving the
Addition of Property to the Assessment Roll
of Jackson County JD #30**

WHEREAS, the Jackson County Board of Commissioners, acting as Drainage Authority for Jackson County JD #14, ordered the Redetermination of Benefits for Jackson County JD #14; and

WHEREAS, as part of that Redetermination process, it became clear that Ronald Kolander, property located in Section 21 of Heron Lake Township, does not outlet into JD #14, but outlets directly into JD #30; and

WHEREAS, as a result of a continued Redetermination hearing on Jackson County JD #14 held on July 7, 2020, the Jackson County Board of Commissioners, acting as Drainage Authority, made a motion that the property described on the Viewers' Report, attached as **Exhibit A**, is to be added to the Jackson JD #30 system; and

WHEREAS, the above-described property shall not pay an outlet fee into JD #30, as they had been paying benefits into JD #14 in almost exactly the same amount as their outlet benefit would have been; and

WHEREAS, the Board indicated that they would like the Heron Lake Watershed District to also sign the Order as they are the Drainage Authority for the Improvement to Jackson JD #30.

ORDER

NOW, THEREFORE, it is hereby ordered as follows: That portions of the Kolander property, located in Section 21 of Heron Lake Township, and described on the Viewers' Report, attached as **Exhibit A**, shall be added to the Jackson JD #30 system and shall not be part of the Jackson JD #14 system. That no outlet fee shall be paid for this property and it is requested that

the Heron Lake Watershed District acknowledge this addition of property into the Jackson JD #30 system.
