HERON LAKE WATERSHED DISTRICT Permit Number _____

In the matter of the application of:

Pursuant to Minnesota Statutes Chapter 103D, the Permit and Drainage Rules of the Heron Lake Watershed District, and on the basis of the statement and information contained in the permit application submitted by applicant, including all letters, maps, and other supporting data furnished by applicant, all of which are made a part hereof by reference, permission is hereby granted to _____ for the purpose of doing the work applied for with the following exceptions, changes, and/or special conditions:

This permit is granted subject to the following provisions:

- This permit is permissive only and shall not release the permittee from any liability or obligation imposed by Minnesota Statutes, Federal Law, or Local Ordinances, and shall be subject to all conditions and limitations now or hereafter imposed by law. The Heron Lake Watershed District makes no representations to the applicant in granting the permit that the proposed work complies or does not comply with the existing law. No liability shall be imposed upon or incurred by the District or any of its officers, agents, or employees, officially or personally, on account of the granting of this permit, or on account of any damage to any person or property resulting from any act or omission of the permittee or any of its agents, employees, or contractors relating to any matter hereunder. This permit shall not be construed as estopping or limiting any legal claim or right of action of the District against the permittee, its agents, employees, or contractors for violation of or failure to comply with the provisions of this permit or applicable provisions of law.
- Work authorized under this permit shall be completed by _____, unless extended by the District.
- The permittee shall grant access to the site at all reasonable times during and after construction to authorized representatives of the District for inspection of the work authorized by this permit.
- This permit may be terminated by the District without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of the public health and welfare, or for violation of any of the provisions of this permit.
